

Clubhouse Characteristics: 2025

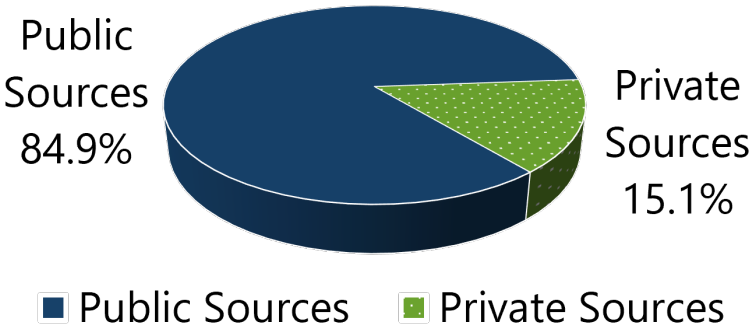

Clubhouse International offers people living with mental illness opportunities for friendship, employment, housing, education and access to medical and psychiatric services in a caring and safe environment through over 370 local Clubhouses in 31 countries around the world.

The Program for Clubhouse Research at the UMass Chan Medical School administers a web-based survey – the Clubhouse Profile Questionnaire (CPQ) annually to understand Clubhouse characteristics & outcomes.

➤ CPQs received from 284 Clubhouses in 23 countries and 34 US states, a 77% return rate overall.
