

Phoebe Sylvina Moore, Ph.D.
Departments of Psychiatry and Pediatrics
University of Massachusetts Medical School
55 Lake Avenue North
Worcester, MA 01655
(508) 856-3220
phoebe.moore@umassmed.edu

Education

Ph.D., (Psychology), University of California, Los Angeles, CA	2002
Thesis Title: Family Dynamics and the Anxiety Disorders of Childhood	
Advisor: Marian Sigman, Ph.D.	
M.A., (Psychology), University of California, Los Angeles, CA	1996
B.A., Psychology (magna cum laude), Yale University, New Haven, CT	1993

Pre- and Post-Doctoral Training

Postdoctoral Fellowship, Stanford University Medical Center, Stanford, CA	2001-2004
Internship, Child and Family Guidance Center, Northridge, CA	2000-2001

Academic Appointments

Assistant Professor	2011-current
Departments of Psychiatry and Pediatrics, University of Massachusetts Medical School, Worcester, MA	
Assistant Consulting Professor	2006-2011
Department of Psychiatry, Duke University Medical Center, Durham, NC	
Assistant Clinical Professor	2004-2006
Department of Psychiatry, Duke University Medical Center, Durham, NC	
Postdoctoral Fellow	2001-2004
Supervisor: Allan Reiss, M.D.	
Department of Psychiatry, Stanford University Medical Center, Stanford, CA	

Leadership Positions

Director, UMass/CANDO Pediatric Anxiety Disorders Clinic	2012-current
UMass Memorial Medical Center, Worcester, MA. Created research-friendly clinic structure for the treatment of children and adolescents with anxiety disorders, focused on the provision of empirically supported psychosocial and medical treatments. Oversee training of psychology and psychiatry trainees in psychosocial assessment and cognitive behavioral treatment models. Assess and treat patients.	

Associate Director, Student Counseling Services 2012-current
UMass Medical School, Worcester, MA. Collaborate with Ruthann Rizzi, M.D., to oversee the provision of psychological and psychiatric treatment to graduate, medical, and nursing students at UMass at Student Counseling Services (SCS). Provide cognitive-behavioral treatment for graduate students presenting with various mood, adjustment and anxiety disorders. Train and supervise psychology externs and interns treating SCS patients using CBT models.

Other Positions and Employment

Research Associate 2007
Department of Psychiatry, Stanford University Medical Center, Stanford CA. Collaborated with Frances Wren, M.D., on study of CBT group treatment for adolescent depression. Led parent groups, selected measures, analyzed data.

Co-Investigator and Study Coordinator 2004-2007
Department of Psychiatry, Duke University Medical Center, Durham, NC. Co-Investigator and site study coordinator for the NIMH-funded multi-site Pediatric OCD Treatment Study II which evaluated CBT models for the treatment of children and adolescents with OCD with partial response to medication.

Graduate Student Researcher 1996-1999
Youth Anxiety and Depression Project, Department of Psychology, UCLA, Los Angeles, CA. Collaborated on study of CBT transportability from lab-based to community-oriented settings. With team, co-wrote R01 grant. Selected measures. Trained community therapists in CBT treatment models. Supervised community therapists and maintained QA/manual adherence.

Graduate Student Researcher 1995-2001
Fernald Child Study Center, UCLA, Los Angeles, CA. Collaborated on longitudinal study of community-referred hard-to-manage preschoolers. Conducted assessments, managed and analyzed data.

Research Coordinator and Clinical Evaluator 1993-1995
Pediatric Psychopharmacology, Department of Psychiatry, Massachusetts General Hospital, Boston, MA. Coordinated family study of children with comorbid major depression and anxiety. Trained and supervised research assistants on structured interview measures and cognitive/neurocognitive assessment tools. Provided structured psychological evaluations for patients seeking treatment at the clinic.

Undergraduate Researcher 1992-1993
Connecticut Mental Health Center, Yale University, New Haven, CT. Designed and implemented study of dosage levels of neuroleptic medications in the treatment of chronic schizophrenia (Yale senior essay).

Honors and Awards

Faculty Scholar Award (University of Massachusetts Medical School) 2015-2016
Appreciation Award, SHINE Initiative, Leominster, MA 2015
Katherine McCormick Scholar (Stanford University) 2003-2004
T32 Post-Doctoral Fellowship (Stanford University) 2001-2003
Graduate Division Dissertation Year Fellowship (UCLA) 1999
Travel Fellowship (American Psychological Association) 1998

Dolores Zohrab Liebmann Fellowship (Chemical Bank, NYC)	1995-1998
Chancellor's Fellowship (UCLA)	1995
Psi Chi (Yale University)	1993

Professional Memberships and Activities

International OCD Foundation	2011-current
Association for Behavioral and Cognitive Therapies	2002-current
American Psychological Association	1997-current
American Psychological Association, Division 53 (Child Clinical)	1997-current

Editorial Responsibilities

Ad hoc reviewer for:

- Journal of Abnormal Psychology
- Behaviour Research and Therapy
- Journal of Clinical Child and Adolescent Psychology
- Journal of Child Psychology and Psychiatry
- Biological Psychiatry
- Journal of Psychiatry Research
- Professional Psychology: Research and Practice
- Depression and Anxiety

Educational Activities

Educational Administration and Leadership

Member, UMass Medical School Child and Adolescent Psychiatry Residency Program Evaluation Committee	2016-current
Member, UMass Psychology Internship Committee	2012-current
Co-Director, CANDO-Anxiety Subspecialty Clinic rotation (fellows and graduate students). UMass Psychiatry Department. 3-5 students/year.	2012-current

Teaching Activities: Presentations and Single Classes

Moore, P. (2014, September). Across the lifespan: Anxiety disorders in children and adolescents. Presentation at the Clark University Clinical Workshop, Clark University, Worcester, Massachusetts.

Moore, P. (2014, December). Cognitive behavioral therapy for panic disorder and agoraphobia. Presentation to the psychology interns at University of Massachusetts Medical School, Worcester, Massachusetts.

Moore, P. (2011, December). Anxiety disorders in children and adolescents. Presentation to the child psychiatry fellows at University of Massachusetts Medical School, Worcester, Massachusetts.

Teaching Activities: Courses Taught

Teaching Associate, Foundations of Clinical Psychology (graduate level). UCLA Psychology Department. 12 students.	1999-2000
Teaching Associate, Advanced Psychological Statistics (graduate level). UCLA Psychology Department. 50 students.	1997-1998
Teaching Associate, Advanced Abnormal Psychology (undergraduate level). UCLA Psychology Department. 30 students.	1997
Teaching Associate. Adolescent Development (undergraduate level). UCLA Psychology Department. 100 students.	1997

Clinical Teaching and Supervision

Cognitive Behavioral Therapy Supervision, UMass Medical School	2012-current
Clinical Supervisor, Department of Psychiatry. Direct training program in child/adolescent cognitive-behavioral therapy models to child psychiatry fellows, clinical psychology interns, and graduate student psychology externs. <i>Treatments taught and supervised include exposure with response prevention (E/RP) for OCD, Coping Cat and Cool Kids for anxiety, Primary and Secondary Control Enhancement Training (PASCET) for depression, parent management training (PMT) for oppositional defiant disorder, habit reversal for trichotillomania.</i>	
Cognitive Behavioral Therapy Supervision, Duke University	2004-2006
Clinical Supervisor, Duke Child and Family Study Center Psychosocial Clinic. Provided teaching and supervision for psychiatry residents and clinical psychology interns in treating children and adolescents with OCD and anxiety disorders.	

Advising and Mentoring

Graduate Students

Alyssa Faro, M.A.; Clark University, Worcester, MA.	2013-2016
Dissertation Committee Member. Connecting the dots: Examining the impact of parent psychopathology and emotion socialization on youth internalizing symptoms through social connectedness. Defense date: 2/1/16.	
Emily Britton, Ph.D.; Wright Institute, Berkeley, CA.	2004-2006
Dissertation Committee Chair. A meta-analysis of group cognitive-behavioral therapy for children and adolescents with social phobia. Defense date: 6/23/06. Award winner, Outstanding Dissertation Award, Wright Institute, 2007.	
Kimberly Tompkins, Psy.D.; PGSP-Stanford Consortium, Stanford, CA.	2003-2006
Dissertation Committee Member. The impact of a parent-only cognitive-behavioral group intervention for childhood anxiety on parenting attitudes and behaviors. Defense date: 5/22/06.	

Residents: Kerry Wilkins, MD. Shirley Rajan, MD.

Pre-Doctoral Trainees: Alyssa Faro, CPhil. Jessica O'Leary, MA. Elizabeth Flamm, PhD.

Faculty: James Yon, MD. Ashley Hart, PhD. Jacqueline Raftery-Helmer, Ph.D.

Grants

Current

Systems and Psychosocial Advances Research Center (SPARC) Seed Grant for Pilot Projects, University of Massachusetts Medical School, Worcester, MA.

PI: Moore, Phoebe 2016-2017

Augmenting Treatment Adherence in Parents of Children with Anxiety Disorders using Mobile Technology. Multiple baseline evaluation of mobile technology-assisted prompting for parents enrolled in a parenting intervention. Role: PI.

SHINE, Anonymous Donor, and University of Massachusetts Medical School Department of Psychiatry Research and Education Initiative, University of Massachusetts Medical School, Worcester, MA

PI: Moore, Phoebe. 2015-2016

Acceptance and Commitment Therapy for Parents of Anxious Youth. Feasibility trial of a parent-focused treatment protocol using Acceptance and Commitment Therapy to help parents change parenting behaviors that cause or maintain anxious feelings and behavior in their children. Role: PI

Faculty Scholar Award, University of Massachusetts Medical Center. PI: Moore, Phoebe 2015-2016

Changing Parent Behavior in Youth Anxiety Disorder: Overcoming Barriers to Treatment Response.

Evaluation of behavioral change in parents of anxious children who participate in a parenting intervention using Acceptance and Commitment Therapy techniques. Role: PI

Completed

NIH R01MH079154 PI: March, John. 2007-2012
Family Based Treatment of Early Childhood OCD. Multi-site clinical trial comparing family-focused exposure with response prevention to family-focused relaxation training. Role: Consultant

NIH R01MH55121 PI: March, John. 2004-2006
Treatment in Pediatric Obsessive Compulsive Disorder. Multi-site clinical trial comparing two levels of cognitive behavioral therapy to medication management only for youth with OCD who are partial responders to SSRI treatment. Role: Study coordinator and co-investigator, 100% effort.

Lucile Packard Children's Hospital, Stanford University Medical Center, 2003-2004
Innovations in Patient Care Program Grant. PI: Thienemann, Margo.
A Parent-Only Cognitive-Behavioral Treatment Program for Child and Adolescent Anxiety Disorders. Open pilot study of parent-only CBT treatment for child anxiety. Role: Co-investigator, 25% effort.

Clinical Practice

Certification and Licensure

Psychology License, Massachusetts 2010-current
Psychology License, California (currently inactive) 2007-current
Psychology License, North Carolina (currently inactive) 2005-current

Clinical Discipline

Clinical Psychology, Child and Adolescent Clinical Psychology

Clinical Activities

Clinical Child and Adolescent Psychologist	2012-current
UMass/CANDO OCD and Anxiety Disorders Clinic, UMass Memorial Medical Center, Worcester, MA. Treat children and adolescents with OCD, anxiety and related disorders using empirically supported psychosocial models.	
Clinical Psychologist	2011-current
Private Practice, West Boylston, MA. Evidence based private practice providing empirically supported treatments for children and adolescents with anxiety disorders, obsessive compulsive disorder, depression, and trichotillomania.	
Clinical Psychologist	2010-current
Student Counseling Services, UMass Medical School, Worcester, MA. Provide cognitive-behavioral treatment for graduate students presenting with various mood, adjustment and anxiety disorders.	
Clinical Psychologist	2007-2010
Private Practice, Los Gatos, CA. Evidence based private practice providing empirically supported treatments for children and adolescents with anxiety disorders, obsessive compulsive disorder, depression, and trichotillomania.	
Psychotherapist and Clinical Evaluator	1998-2000
Child and Adolescent OCD and Anxiety Disorders Clinic, Neuropsychiatric Institute, UCLA. Conducted intake evaluations for children and adolescents referred for moderate to severe anxiety disorders. Treated individual child clients using structured cognitive-behavioral treatments for anxiety disorders.	
Clinical Extern	1997-1998
San Fernando Child Guidance Clinic, Northridge, CA. Treated individual and family clients and conducted psychological assessments at community mental health center.	
Psychotherapist and Clinical Evaluator	1996-2000
Department of Psychology, UCLA Psychology Clinic, Los Angeles, CA. Conducted psychotherapy and psychological assessments of child, adolescent, and adult cases, under supervision in a variety of therapy modalities.	
Psychotherapist	1996-1997
Didi Hirsch Community Mental Health Center, Culver City, CA. Treated child patients using a manualized cognitive-behavioral treatment for depression.	

Clinical Innovations and Quality Improvement Projects

Standardized psychological assessment battery for Student Counseling Services intake evaluations.

Presentations & Abstracts

Invited Presentations

Moore, P. (2016, May). Parenting your Anxious Child or Teen. Presentation at the Mental Illness Spotlight series, The Bromfield School, Harvard, Massachusetts.

Moore, P. (2015, October). Worry and Anxiety in Children and Teens. Presentation at the Kids Matter: Perkins Partners in Mental Health lecture series, Perkins School, Lancaster, Massachusetts.

Moore, P. (2015, October). Anxiety and Stress. Presentation at the Mental Health Conference by the Shine Initiative, Mount Wachusett Community College, Leominster, Massachusetts.

Moore, P. (2015, May). Creating the CANDO Child OCD and Anxiety Disorders Clinic. Invited presentation to the Child Psychiatry retreat at University of Massachusetts Medical Center, Worcester, MA.

Moore, P. (2014, December). Anxiety. Television interview given on WCCA television show Healthy Bodies, Healthy Minds, Worcester, Massachusetts.

Moore, P. (2013, May). Understanding and responding to mental health issues: The example of anxiety disorder. Presentation at the May Day Mental Health Summit, Clark University, Worcester, Massachusetts.

Moore, P. (2013, Jan). OCD in kids and teens. Presentation at the Obsessive Compulsive & Related Disorders UMass Worcester Lecture Series, Worcester, MA.

Moore, P. (2013, January). Managing acute anxiety in the school setting. Presentation at monthly meeting of the Westborough School District mental health and school adjustment personnel, Westborough, Massachusetts.

Moore, P. (2012, October). Anxiety. Presentation at the Mental Health Conference by the Shine Initiative, Mount Wachusett Community College, Leominster, Massachusetts.

Moore, P. (2011, October). Use of exposure in treatment for pediatric anxiety. Presentation at the meeting of the Cognitive-Behavioral Therapy Association of Central Massachusetts, Worcester, Massachusetts.

Moore, P. and Lish, J. (2011, April). Anxiety and obsessive compulsive disorders in children: How do you know if it is “just a phase?” Presentation at monthly meeting of the Westborough School District mental health and school adjustment personnel, Westborough, Massachusetts.

Moore, P. (2005, September). Parent-Child Process in Pediatric Anxiety Disorders. Invited Psychiatry Grand Rounds presentation at Duke University Medical Center, Durham, NC.

Other Presentations, Posters, and Abstracts

International

Moore, P., Whaley, S. & Sigman, M. (2002, June). Interactions between mothers and children: Impacts of maternal and child anxiety. Paper presentation at the International Conference in Child and Adolescent Mental Health, Brisbane, Australia.

National

Mariaskin, M., **Moore, P.** and Eken, S. (2016, July). Treatment of OCD in Young Children. Presented at the International Obsessive Compulsive Disorder Foundation’s 23rd Annual OCD Conference, Chicago, IL.

Coyne, L. and **Moore, P.** (2015, July). Building resiliency from an Acceptance and Commitment Therapy (ACT) perspective. Presented at the International Obsessive Compulsive Disorder Foundation’s 22nd Annual OCD Conference, Boston, MA.

Coyne, L., Rice, S. and **Moore, P.** (2015, July). Don’t mind your OCD: How to break out of the OCD box with ACT. Presented at the International Obsessive Compulsive Disorder Foundation’s 22nd Annual OCD Conference, Boston, MA.

Garcia, A., Sapyta, J. **Moore, P.**, Freeman, J., Franklin, M., March, J. and Foa, E. (2010, November). Predictors and moderators of outcome in the Pediatric OCD Treatment Study. Presented at the annual conference of the Association for Behavioral and Cognitive Therapies (ABCT), San Francisco, CA.

Keuthen, N. J., **Moore, P.**, Franklin, M.E., Flessner, C. A., Woods, D. W., Piacentini, J., and the TLC Scientific Advisory Board. (2007, March). Family functioning in child/adolescent trichotillomania. Presented at the annual conference of the Trichotillomania Learning Center (TLC), Arlington, Virginia.

Moore, P. (2007, March). Parental intrusiveness and childhood anxiety: Discussant. Presented at the Society for Research in Child Development (SRCD) Biennial Meeting, Boston, MA.

Moore, P. (2006, March). Maternal behavior in anxiety-affected mother-child dyads: Autonomy and control. Paper presented at the Society for Research in Adolescence (SRA) Biennial Meeting, San Francisco, CA.

Moore, P., Garcia, A., Gonzalez, A., Brice, C; Thienemann, M., & Huffman, L. (2005, April) Physiological arousal in parent-child interaction paradigms commonly used in anxiety research. Poster presented at the Society for Research in Child Development (SRCD) Biennial Meeting, Atlanta, GA.

Britton, E. P., **Moore, P.** (2005, March). A meta-analysis of group CBT for children and adolescents with social phobia. Poster presentation, Annual Conference of the Anxiety Disorders Association of America (ADAA), Seattle, WA

Gonzalez, A. & **Moore, P.** (2005, March). Identification of target behaviors in parent-child interactions among anxiety-affected families. Poster presented at the Anxiety Disorders Association of America (ADAA), Seattle, WA.

Moore, P. (2005, March). Family factors in child/adolescent anxiety: Reciprocity of basic and intervention research. Chaired symposium at the Anxiety Disorders Association of America (ADAA), Seattle, WA.

Britton, E. P., Kosoff, A.R., **Moore, P.** (2004, July). A meta-analysis of group CBT for childhood social phobia. Poster presentation, Annual Meeting of the American Psychological Association (APA), Honolulu, HI

Moore, P. (2003, October). Distinctive qualities of parent-child interactions in anxiety-affected families: A perspective from learning theory. Symposium presentation at the American Academy of Child and Adolescent Psychiatry (AACAP), Miami Beach, FL.

Moore, P., and Baker, B. (2001, April). Externalizing behavior disorders from preschool to third grade: Factors related to problem stability. Poster presented at the Society for Research in Child Development (SRCD) Biennial Meeting, Minneapolis, Minnesota.

Moore, P., and Baker, B. (2000, October). Predictors of externalizing disorders in childhood: Results from a longitudinal study. Paper presentation at the Kansas Conference in Clinical Child Psychology, Lawrence, Kansas.

Moore, P., Baker, B. & Henker, B. (1998, August). Smoking, maternal adjustment, and ADHD. Poster presentation at the American Psychological Association (APA) Annual Conference, San Francisco, California.

Baker, B., Heller, T., Henker, B., & **Moore, P.** (1997, March). Child behavior problems from preschool to third grade: Stability and family predictors. Presentation at the Gatlinburg Conference on Research and Theory in Mental Retardation and Developmental Disabilities, Riverside, California.

Wilens, T., Prince, J., Spencer, T., Geller, D., Warburton, R., **Moore, P.**, & Biederman, J. (1994, October). Double-blind comparison of Desipramine (DMI) and placebo in adults with attention deficit hyperactivity disorder: Preliminary results. Poster presented at the annual convention of the American Academy of Child and Adolescent Psychiatry (AACAP), New York City, New York.

Committee Assignments and Administrative Service

University of Massachusetts Medical School

Member, Psychiatry Women's Faculty Committee*	2016-present
Member, UMass Clinical Excellence Award Committee	2012
Schwartz Rounds (Multi-disciplinary Bioethics Grand Rounds; www.theschwartzcenter.org)	
Member, Advisory/Planning Board	2012-2013
Moderator	2012

University of California, Los Angeles

Representative, UCLA Psychology Department Clinical Area Committee	1999-2000
Member, UCLA Psychology Department Clinic Committee	1998-1999
Member, UCLA Psychology Department Research Committee	1997-1998
