

As an academic medical center, UMass Medical School and UMass Memorial Medical Center are focused on healing. Together, we are dedicated to improving the health and well-being of our community by training future health care providers, conducting cutting-edge research to treat and cure disease, and providing high-quality, patient-centered care.

WINTER
Ball

10th ANNIVERSARY

Making our community stronger.
Making our community healthier.
Making a difference.

Here's how you can help...

With a vision for a healthy community and future, sponsors have helped raise more than \$7.4 million for the life-saving programs of UMass Medical School and UMass Memorial Medical Center.

Help people live healthier lives... that's what you and your organization can do as a sponsor of the Winter Ball.

When you sponsor this event:

- You support the best medical education, research and patient care in our region, and beyond.
- You help those who rely on these essential programs for their health and well-being.
- You show your dedication to making our communities stronger.
- You make a difference.

Please, join us.
