

# Department of Medicine Division of Renal Medicine

CONTINUING MEDICAL EDUCATION

## SEMINARS in NEPHROLOGY

At the conclusion of this activity participants will be able to:

- Understand the regulation and dysregulation of T-cells in transplantation
- Appreciate strategies for manipulating T-cell activity in transplantation

### **“T-cell Regulation in Renal Transplantation: Established and Emerging Strategies”**

Presented by:

Jamil R. Azzi, M.D.

Brigham and Women's Hospital

Director, Kidney Transplant Fellowship

Transplantation Research Center, Harvard Medical School

**Tuesday, November 12, 2019**

1:00 p.m. – 2:30 p.m., AS7-2072

UMass Memorial, University Campus

**Accreditation Statement:** The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

**Designation Statement:** The University of Massachusetts Medical School designates this live activity for a maximum of one *AMA PRA Category 1 credit(s)*™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

**Statement on Faculty Disclosure:** It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
