Optimizing Treatment in Progressive MS Patients

June 16, 2010
Tribeca
Registration: 5:30-6:00 pm
Dinner: 6:00-7:00 pm
Lectures: 7:00-9:00 pm

Presenting Faculty: Nancy Fontneau, MD & Neeta Garg, MD
To register or for more information please call: 508-856-1671

GENERAL INFORMATION
Program Summary: Even though significant progress has been made in the therapeutic approaches for progressive MS, there remains a significant delay in initiation of treatment resulting in irreversible tissue loss and permanent patient disability. Therefore, the goal of this program is to increase awareness among primary care physicians and neurology residents regarding the early diagnosis and the symptomatic therapy treatment options available to those diagnosed with Multiple Sclerosis.

Objectives: Upon completion of this CME activity, participants should be able to:
- Recognize early signs of Multiple Sclerosis
- Demonstrate an understanding of symptomatic therapy options
- Discuss the treatment options available to optimize symptomatic care in Multiple Sclerosis

Target Audience: Primary Care Physicians, Nurse Practitioners, Physicians’ Assistants, Neurologists, Physical Therapists

CONTINUING EDUCATION CREDIT
Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of Massachusetts Medical School and The MS Center at UMass Memorial Medical Center (UMMC). The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

The UMMS designates this continuing medical educational activity for a maximum of 2 AMA PRA Category 1 Credit(s)™.

Nurses: This offering meets the requirements for 2.4 contact hours for nurses as specified by the Massachusetts Board of Registration in nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spent in each educational activity.

Policy on Faculty Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
