

Keeping Weight Off research visits at UMass Medical School

A member of the research team will meet you in the lobby of the medical school (red circle in center of map). Park in the visitor's garage on South Rd. across from UMass Memorial Medical Center. From the garage, either enter the Main Hospital Entrance and walk through the hospital lobby and corridors to the opposite end where it joins the medical school, or walk outside along the front of the hospital to enter the medical school lobby directly. If you have any questions you may reach our office at 508-856-1225.
