FORM MSC108: MASTER'S THESIS OUTCOME

Instructions

The student should provide the names of all committee members for this form, prior to the defense.

Committee members may sign at the defense, unless the thesis committee determines that questions about the outcome are significant enough to warrant delay.

The Thesis Committee Chair should sign the form only upon approval of the final revised versions of the thesis.

This form will not be accepted, and the student record will not be considered Complete, unless all thesis committee members have signed and dated the form.
