## AAAS Science & Technology Policy Fellowships

Cynthia R. Robinson, M.A.  
Nate Hafer, Ph.D.

Cynthia R. Robinson, M.A., directs the American Association for the Advancement of Science (AAAS) Science & Technology Policy Fellowships department, overseeing more than 200 Congressional and Executive Branch Fellows. She has over 20 years experience in program management, communications, and non-profit administration.

Dr. Nate Hafer received his Ph.D. in Molecular Biology from Princeton University. He was an AAAS Science & Technology Policy Fellowship recipient and served from 2008-2010. Following his fellowship, he was appointed Director of Operations for the UMass Center for Clinical and Translational Science.

Come and learn about exciting fellowship possibilities through the AAAS Science & Technology Policy Program !
