

Modes of Curriculum Delivery for Discovery AY23-24

Category		AY23-24		
Session	Engaged	Synchronous Delivery	Required Live Attendance	Mode
CBL, TBL, PBL	Yes	Yes	Yes	Hybrid; PBL in-person
Discussions, Large Group [≥ 12], include conference, flipped class	Yes	Yes	Yes, if $\geq 50\%$ time for engaged interaction	Hybrid
		Yes	No, if $< 50\%$ time for engaged interaction	HyFlex
Discussions, Small Group [≤ 12]	Yes	Yes	Yes	In-person
ECL (early clinical learning)	Yes	Yes	Yes	In-person
Independent Learning Modules		No	No	Remote
Labs Anatomy	Yes	Yes	Yes	In-person
Labs Histology	Yes	Yes	Yes	In-person
Labs Pathology	No/Yes	Yes	No/Yes	HyFlex/Hybrid
Lectures	No	Yes	No	HyFlex
Self-Directed Learning	Yes	Yes	Yes	In-person
Simulation	Yes	Yes	Yes	In-person
Pathways	Y/N	Y/N	Y/N	Hybrid / HyFlex
Summative: Quizzes		No	No	Remote
Summative: Midterms, Block Finals, and NBME		Yes	Yes	In-person
Summative: ECL assessments		Variable	Yes	Variable
Summative: Others		Variable	Variable	Variable
Formative: Practice and self-assessments		No	No	Remote

Definitions:

Engaged Learning – $\geq 25\%$ of a session utilizes engaged interaction among learners; examples of such interactions include (but are not limited to) peer teaching, problem sets, clicker questions, brainstorming sessions, and open-ended discussions

HyFlex – students can choose to participate in person, synchronously via zoom, or asynchronously

Hybrid – students can choose to participate in person or synchronously via zoom; required session
